

COALITION FOR *Responsible* SEX ED

Advocating for Minnesota's Youth

The Coalition for Responsible Sex Ed Invites you to a District 65 Community Meeting on Sex Ed

On Tuesday, December 8 join your fellow sex ed advocates at a community meeting with your elected officials. State Senator Sandy Pappas, Representative Cy Thao, and Representative Carlos Mariani have been invited to discuss the sex ed legislation and how you can affect the outcome in the 2010 legislative session. Bring your opinions and expertise to share with the legislators that represent you in Saint Paul.

Senator Sandy Pappas is the chief author of the sex ed legislation in the Minnesota Senate and Representative Carlos Mariani is the Chair of the Education Policy and Oversight Committee.

The Coalition for Responsible Sex Ed believes that sex ed helps young people be safe and healthy. These programs provide information that Minnesota youth need to become responsible adults.

Please RSVP to Coalition partner Kate.Nelson@mnaidsproject.org if you are able to attend or call 612-373-9162. Light refreshments will be on hand.

District 65 Community Meeting

Tuesday, December 8
